

DESTINATION: GREATER PITTSBURGH

We are your one-stop shop for memorable group moments in Western PA

Sample Student itinerary: Let's Learn!

STEM Based Curriculum

- **Rivers of Steel Heritage Tours** offers multiple education opportunities both at the Carrie Blast Furnaces and on the Rivers of Steel Explorer, 94' green riverboat classroom where you can embark on an educational journey down Pittsburgh's three rivers
- The **National Aviary** helps students understand important conservation and environmental concepts through engaging studies of birds from across the globe!
- **Pittsburgh Zoo & Aquarium** education specialists will guide your students through interactive class-room programs, featuring encounters with live animals, biofacts and more.
- **Phipps Conservatory and Botanical Gardens** offers an exciting lineup of student programs for all types of education groups. Programs use botany and ecology to inspire learning and conservation.

Performance, Arts & Culture

- Go behind the scenes with a workshop, talkback or theater tour before taking in a show in **Pittsburgh's Cultural District**, a 14 block vibrant arts & entertainment center in the heart of downtown Pittsburgh.
- Perform on the seasonal main stage then shop till you drop at **Ross Park Mall** Pittsburgh's premier shopping, dining and entertainment destination with with 170 specialty shops and restaurants.
- Take a spine-chilling adventure at **The Scarehouse**, one of America's best haunted houses offering makeup and theatrical workshops.

History & Outdoors

- Discover Pittsburgh's history at the **Senator John Heinz History Center**, a 5-story peek into Pittsburgh and Western PA's past.
- Tour and ride the **Duquesne Incline**, the 140-year-old Incline that once carried steel workers from their homes on Mount Washington to the steel mills along Pittsburgh's rivers. The view from the top has been hailed as one of the best in the country.
- In Washington County - History comes to life at the **Bradford House Museum**. Costumed docents delve into David Bradford and Alexander Hamilton's connection within the Whiskey Rebellion. Learn more across the street at the **Whiskey Rebellion Visitor and Education Center**.
- Discover why prehistoric foragers camped at **Meadowcroft Rockshelter**, experiencing the hunter-gatherer lifestyle from more than 19,000 years ago.
- History is abundant in the Laurel Highlands, at Flight 93 National Memorial, the Frank Lloyd Wright homes, and Fort Necessity.
- Encounter chores pre-Civil War style at the completely intact **West Overton Museums and Village**, birthplace of coal and coke magnate, Henry Clay Frick.
- In **Butler County** Moraine State Park offers a wide variety of environmental education and recreational programs. The central feature of the park is the 3,225-acre Lake Arthur with 42 miles of shoreline. Take in the views with the Trail of Geology driving tour, make a stop to climb to the top of the Jacksville Esker Glacial Deposit just north of the park.
