SHORTY'S TAP X TACO:

At Shorty's we love to entertain, especially when it comes to unique events. Our huge space is a utopian playground for your event needs, from an intimate group of 15 up to a gargantuan gathering of 200.

Shorty's mixes a retro-bar design with chilled out vibes, elevated street food, and delicious craft beverages. And with retro-tainment like darts, karaoke, table shuffleboard, foosball, pinball and vintage arcade, we are a perfect venue for a legendary party.

Let's celebrate your office guru, a birthday babe, a massive sales contract, a well-deserved team promotion, the latest product launch, a cracking happy hour, or just bringing a group of friends together in one place.

Let's plan your event with Shorty's right hand gal Aliza.
